AMIT IRON & OXYGEN CYLINDER AGENCY

About Us.

Introduction

Amit Iron & Oxygen Cylinder Agency is a trusted distributor of premium industrial tools, welding consumables, safety equipment, abrasives, fasteners, and hand tools. Based in Preet Nagar, Chopan, Sonbhadra (Uttar Pradesh), we cater to the requirements of industries, contractors, workshops, and fabrication units with genuine products and dependable service.

We are associated with leading national and international brands such as Makita, Bosch, D&H Secheron, Udyogi, Fischer, Ozar, Groz, De Neers, Ralli Wolf, Kobelco, JK Super Drive, CUMI, and Virgo Plus, enabling us to offer a wide and reliable product range under one roof. In addition to product supply, we also provide oxygen cylinders and heavy equipment on a rental basis, including Farana crane, Trailer, Hydra, and JCB. This allows us to support construction, industrial, and infrastructure projects with both material supply and equipment solutions.

With a strong focus on quality, availability, and customer satisfaction, we strive to build long-term relationships and be a dependable supply partner for our customers.

Our Associated Brands

We are authorized distributors and dealers of leading national and international brands known for quality, performance, and reliability in industrial applications.

Power Tools & Accessories

We offer a comprehensive range of professional power tools suitable for industrial, construction, and workshop applications.

**Cordless Drill
Machine**

Tile Cutter

Hammer Machine

Grinder

Drill Machine

Heavy-Duty Jig Saw

Rotary Hammer Drill

Hammer

Hammer 16kg

**Cordless Charging
Kit**

Power Tools & Welding Enquipments

We offer a comprehensive range of KPT industrial products, engineered to deliver superior performance, durability, and reliability across fabrication, construction, engineering, manufacturing, and industrial applications.

Power Tools (Grinder, Drill, Sander, Hammer, Polisher)

Welding Consumables & Equipment

We offer a comprehensive range of welding consumables and equipment suitable for fabrication, construction, and industrial applications.

Welding Electrode Set

Wire

Welding Machine

Welding Gloves

Kobelco – Welding Consumables

Kobelco is a globally trusted brand offering high-quality welding consumables designed to deliver strong, reliable, and consistent weld performance. Kobelco products are widely used in fabrication, construction, heavy engineering, and industrial manufacturing applications where weld quality and durability are critical.

The product range includes mild steel, low hydrogen, stainless steel, and hardfacing welding electrodes, along with welding wires suitable for demanding industrial environments. Kobelco welding solutions are recognized for their excellent arc stability, superior weld strength, and dependable performance, making them a preferred choice among professional welders.

Welding Electrode Set

Industrial Safety Products (PPE)

We provide a wide range of industrial safety products designed to protect workers and ensure compliance with safety standards across industries.

Safety Helmet

Safety Shoes

Face Shield

Safety Gloves

Product **Categories**

- Head, Eye & Face Protection
- Hand & Foot Protection
- Respiratory & Fall Protection
- Industrial PPE Solutions

Industrial Safety Products

We offer a comprehensive range of Mallcom safety products, engineered to provide superior protection, comfort, durability, and reliability across construction, manufacturing, engineering, fabrication, mining, logistics, oil & gas, and diverse industrial applications.

Safety Goggles & Helmets

Disposable Mask & Hand Gloves

Industrial & Medical Safety Jackets, Apron & Workwear

Industrial Safety Shoes & Boot

Virgo Plus – Welding Machines & Equipment

Virgo Plus provides dependable welding machines and equipment designed for consistent performance in fabrication and industrial welding applications.

Inverter Welding Machine

Arc Welding Machine

MMA Welding Inverter

Product Categories

- Inverter Welding Machines
- Arc / MMA Welding Machines
- Portable Welding Equipment
- Workshop & Industrial Welding Solutions

Industrial Lubricant Solutions

We offer a comprehensive range of Mosil lubricants, engineered to deliver superior performance, protection, reliability, and efficiency across automotive, manufacturing, engineering, mining, construction, power generation, oil & gas, and diverse industrial applications.

**Synthetic And specialty
lubricating greases**

**Industrial
Maintenance Aerosols**

Lubricating Oils

**Antifriction And corrosion
management coatings, cleaners**

Abrasives & Cutting Solutions

We supply a comprehensive range of abrasive products for cutting, grinding, and surface finishing applications. Our solutions are suitable for metal and stainless steel work and are widely used in fabrication, construction, and industrial maintenance.

Grinding Wheels

Flap Discs

Polishing Abrasives

Fibre Discs

Product Categories

- Metal & Stainless Steel Cutting
- Grinding & Surface Finishing
- Industrial Abrasive Solutions

Fixing & Anchoring Solutions

Fischer provides advanced fixing and anchoring systems for safe and reliable fastening in industrial and construction applications. The range includes mechanical and chemical anchors, steel fixings, and nylon plugs designed for professional use.

Steel Anchor Bolts

Nylon Wall Plugs

Chemical Anchors

Product **Categories**

- Mechanical & Chemical Anchors
- Nylon & Steel Fixings
- Heavy Duty Structural Fastening
- Industrial & Construction Application

Hand Tools & Workshop Equipment

We offer a wide range of hand tools and workshop equipment suitable for industrial, maintenance, fabrication, and workshop applications. Our portfolio includes high-quality tools designed for strength, precision, and long service life, ensuring reliable performance in demanding working conditions.
